SUMMARY

Karl is an extroverted second-year student at Indiana University-Purdue University Indianapolis (IUPUI) and plans in pursuing the line of Business, specifically, double majoring in marketing and supply chain management in hopes of obtaining his MBA and becoming a Business Development Director. He is a PowerTalk International National speech champion and is sponsored by Blacks in Government (BIG). In addition to his public speaking, He also volunteers most of his free time to assist the youth at his Taekwondo School, Korea Taekwondo Academy (KTA). Karl worked his first job in the summer of 2013 when he was chosen by the Center for Leadership Development to work at United Water in the Administration building with Administration roles and Accounts Payable and is anxious to get more business experience in the near future.
